### **NEW! Give a Tax-free Distribution from an IRA Account:**

If you are 70½ or beyond and have an IRA, there is a new giving opportunity unique to you. On Friday, December 18, President Obama signed the Protecting Americans from Tax Hikes (PATH) Act of 2015. Tax-free distributions from IRA accounts to charitable organizations are now permanently reinstated for eligible individuals.

For tax year 2015, individuals who are ages 70½ or older may now give up to \$100,000 from their IRAs directly to Bryn Mawr Presbyterian Church without having to count the distribution as taxable income. A part, or all, of this donation can count toward your IRA Minimum Required Distribution. There are specific legal requirements that must be met.

Always consult your own financial and tax advisors before making any gift that has tax implications.
