

GINA ROTHERMEL

MSW, LCSW

Gina Rothermel is a licensed social worker who finds joy in helping children, adults, couples, and families discover and reach their individual goals. She specializes in working with non-traditional families formed through foster care, adoption, or blended families, and understands the unique challenges these families face. She is skilled helping clients increase self-esteem and self-acceptance, manage depression, strengthen relationships, process grief, and loss, and find the inner strength and resources to make desired changes in their lives. She interacts with clients in a friendly, open and accepting manner, incorporating humor when appropriate. Ms. Rothermel is an LGBTQ ally who recognizes the importance of all relationships, and who also has an understanding of vegan and vegetarian lifestyles.
