### **WRESTLING WITH GOD: FINDING HOPE AND MEANING IN OUR STRUGGLES TO BE HUMAN.**

Tuesdays, July 21 through Aug. 11, 7:00 p.m., via Zoom Conference Call.

Patricia Danzon leads a four-week conversation on the book *Wrestling with God: Finding Hope and Meaning in our Struggles to be Human* by Ronald Rolheiser. In it Rolheiser offers a steady and inspiring voice to help us avow and understand our faith in a world where nothing seems solid or permanent. Drawing from his own life experience, as well as a storehouse of literary, psychological and theological insights, he examines the fears and doubts that challenge us. It is in these struggles to find meaning that Rolheiser lays out a path for faith in a world struggling to find faith, but perhaps more important, he helps us find our own rhythm within which to walk that path. Email [Patricia Danzon](#) for information about joining the call.

**BMPC SUMMER PODCAST.** The church has created a new mobile adult education resource for you to continue learning and growing during the summer when we are unable to be together. More than 12 episodes are now available online, via Apple and Google Podcasts as well as Spotify, or directly from our church [website](#).

What is true partnership when it comes to Mission locally and around the world - genuine collaboration, friendship and shared values? This week's episode features a conversation with the Rev. Chris Holland, pastor of New Spirit Community Presbyterian Church in Southwest Philadelphia and the Common Place. Chris shares how the Common Place has responded to this unique moment to meet the needs of the surrounding community and talks about the meaning of mission partnerships.
