# GATHERING AROUND THE WORD

## PRELUDE

## WELCOME

Rachel Pedersen

## † CALL TO WORSHIP

One: Happy are those who inhabit the house of the Lord,  
for they may ever praise you.

**All: Happy are the people whose strength is in God,  
for their hearts are set on the pilgrim way.**

One: Lord God of hosts, hear our prayers as we worship.

**All: For you, O Lord, are our sun and our shield;  
yours alone is the grace and the glory.**

## † HYMN 336

We Gather Together

KREMSER

## CALL TO CONFESSION

### AND PRAYER OF CONFESSION (in unison)

Loving God, you have shown us the way of Jesus, and invite us into the world in service: to be compassionate and kind, faithful and loving. While you direct us to embrace the qualities that marked Jesus' life, we confess that we have stumbled and fallen. Our sins are real, and they are many. Have mercy on us and forgive our failings. Encourage us to live our faith everyday, wherever we are, extending your love and mercy into a world of need.

*A moment of silence for personal reflection and confession.*

## ASSURANCE OF PARDON

### SUNG RESPONSE Hear the Good News of Salvation

Hear the good news of salvation: Jesus died to show God's love.  
Such great kindness! Such great mercy! Come to us from heaven above.  
Jesus Christ, how much I love you! Jesus Christ, you save from sin!  
How I love you! Look upon me. Love me still and cleanse within.

## **Today**

**HOMEGROWN NATIONAL PARK.** 11:15 a.m., Congregational Hall. Join us as Doug Tallamy presents on Homegrown National Park, a national movement to create diverse ecosystems in our yards, communities, and surrounding lands by reducing lawn, planting native, and removing invasives. We are losing many native plant and animal species which jeopardizes our natural life support, but if many people make small changes, healthy ecological networks can be restored.

**THE NATURE OF OAKS.** 2:00 p.m., Congregational Hall. Join us for Doug Tallamy's second presentation where he continues the discussion about how homeowners can take action by planting natives, specifically focusing on oaks. Oaks support more species of animals, sequester more carbon, protect our watersheds, and nourish soil communities better than any other plant genus in North America. Tallamy will discuss these roles by highlighting what happens with the oaks in his yard each season.

Dr. Agnes Norfleet will lead a discussion about Pauline Boss' recent book, *The Myth of Closure: Ambiguous Loss in a Time of Pandemic and Change*. Boss identifies these vague feelings of distress as caused by ambiguous loss – losses that remain unclear and hard to pin down, and thus have no closure. This book provides many strategies for coping: encouraging us to increase our tolerance of ambiguity, and acknowledging our resilience as we express a normal grief and still look to the future with hope and possibility. Books are available to purchase for \$15 at the church or may be purchased online through most book sellers. [AliciaFranklin@bmpc.org](mailto:AliciaFranklin@bmpc.org).
